Washington, DC 20204

Dear Sir/Madam:

This is a notification pursuant to 21 U.S.C. 343(r)(6) that Standard Process Inc., Palmyra, Wisconsin 53156-0904, is making the following statements:

- (1) Helps in maintaining strong skeletal tissue.
- (2) Especially important during years of decreased estrogen productions.

These statements are made for a dietary supplement containing a proprietary blend of alfalfa flour, nutritional yeast, veal bone PMG™ extract, betaine hydrochloride, arrowroot flour, ammonium chloride, soy (bean), choline bitartrate, bovine liver, phosphoric acid, porcine stomach, calcium lactate, manganese glycerophosphate, bovine adrenal, magnesium citrate, bovine spleen, ovine spleen, licorice (root), defatted wheat (germ), inositol, allantoin, bovine brain, and ascorbic acid. Other ingredients include gelatin, potassium citrate, water, calcium stearate, natural colors, potassium para-aminobenzoate, niacinamide, pyridoxal 5-phosphate, and riboflavin 5'-phosphate. The name of the product is Ostarplex®.

The information contained herein is accurate and Standard Process Inc. has substantiation that the statements are truthful and not misleading.

Sincerely yours,

Ann Holden  
Standard Process Inc.
